**Dear Lawrence,**

**I am pleased to write this letter of recommendation for Lawrence Branchetti, as a former member of Congress under the administration of President Ronald Reagan we have had the opportunity to converse and share different philosophies concerning our governments relations to other countries, immigration laws, ect.**

**I have seen him demonstrate excellent skills in public speaking, diplomacy, and group team management along with working with diverse groups of different cultures. Lawrence is fluent in Spanish, Portuguese and Italian and fully understands the cultures and behaviors of others, his oral and written communication skills he possesses is something that most others don't have, he has had the opportunity to travel the world extensively. Mr. Branchetti has spent working in Sales, Marketing, and advertising in foreign market for over 35 years, he currently is in the Entertainment field performing and working as a professional singer/entertainer, this experience alone gives him the ability to possess that additional edge of capturing an audience, he has recorded over 100 songs to date, and is capable of gracing the stage with elegance and poise. **I recommend this young professional for any opportunity that may arise to run for a republican seat whether it be on a State or Federal level, he would definitely be an asset to our party.**

**Lawrence Branchetti is a true example of what we need today in Washington or even in State politics, he is definitely an example for young Americans to follow in his direction. His community involvement to help provide a better place to live has truly demonstrated his professional ability to work effectively with the community at large, he is cooperative, optimistic, admired and truly "A fine Human being"**

**As a person that I have known for more than (30) years he is one of a kind. I personally recommend Lawrence Branchetti. Any Additional information you may need please feel free to contact me directly 724-375-7757. The information provided about Lawrence is that he is true leader and a caring individual. Until then, I remain.**
